

May 2009 Newsletter

Land Rover Mt Hutt Masters Newsletter

There is 110cm of snow on the mountain and opening day is now the 30th May – It's been a long time since you could ski in May.

We are very pleased to announce the continued sponsorship of the Masters by Land Rover by the local Christchurch dealership Archibalds. In this market I'm sure you will agree with me in congratulating John Fairhall the Dealer Principal for continuing the long association the Land Rover brand has had with this race. Also the Methven functions are back at the Methven Resort – for accommodation please contact anne@methvenresort.co.nz

Please visit www.archibalds.co.nz to see the fine stable of cars the motor group has on offer.

Mt Hutt has also continued its generous support by offering discounted ski passes for competitors on race days as well as the fantastic lunch for competitors and partners on the Saturday after the 2nd run of the GS. We also acknowledge the support of Export Gold and Lindauer Special Reserve (Pernod Ricard) for their support with "refreshments" during the lunch and the Friday Cocktail Function.

You will note a reduction in cost this year plus a discount for 2008 competitors due to the cancellation of the Super G and The Slalom (albeit we had some of the best powder skiing on the Sunday). Please note this year there is no give-away to help keep costs down.

The race competitors have the use of the facility above the "Huber's hut" Brasserie. You will be able to keep your gear (not skis) there during the day and food and drink is available at the Brasserie.

Also, please note that this year all competitors must wear helmets in all racing and training events.

We would like to thank our loyal sponsors, most of whom have been with us since 1995. Without their support the race would be a lot more expensive and only half as much fun. Please support these businesses every opportunity you get. Archibalds, Mt Hutt, Pernod Ricard – Lindauer Special Reserve, Export Gold, Wombats, Brandex (Atomic), Gravity Sports (Volk), Southern Finance, Harvey|Cameron, Nevada Sport (Merrell & Patagonia), Methven Resort, Emuology, Waiwera Infinity Water, Victoria Ski Sport, Cookie Time, Mag & Turbo Warehouse Tuam St, Orbit Corporate Travel, Qantas airlines.

If you are considering a ski trip or even local travel please contact Al Cran at Orbit (House of Travel) acran@orbit.co.nz (03) 365 7002.

For accommodation please contact Lyn Womersley on 0800 804 747 or fax 03 302 8702.

Remember we accept entries from 21 years old through till you've had enough and just want the schnapps.

Over 80's are free – We think it's fantastic that they are still having fun and loving the sport.

Regards

Michael Bushell
