

19th July 2011

Dear

I would like to invite you to enter the Volk TC Masters on Sunday the 4th of September.

After a rather disagreeable start or lack thereof to the season everyone's minds have been swept clear with a huge snowfall such as we rarely see. So I hope you are out there skiing hard, getting in some turns in anticipation of the speed ahead.

At Treble Cone this year the Masters format is focused on the social as well as competitive reasons for getting a day in at Treble. We will kick off in the morning with a two run GS on Skyte. Guenther has promised a great course with the full TCRA service. This to be followed immediately by a Farmers lunch at the base area accompanied by a cheese and wine tasting. Prize giving will follow. And then it's out onto the mountain to enjoy an afternoon skiing – or taking in the view if the wine at lunch gets in first!

The event costs are;

\$59 for entry includes Race, Lunch, Prize giving & the NZ Masters fee.

\$49.50 for event lift pass for those up to and including 64 years, for the more veteran masters amongst you the lift pass is \$24.50 and if you have breached 70 years of age its free.

Age for handicap will be taken as of 30th June. There will be an overall Men's and Women's cup. There will also be a 'junior' section ineligible for overall awards.

This year all the entries can be done on line at www.treblecone.com/online shop or register by email to sales@treblecone.com and pay on the day. Entries close Thursday 1st September.

I look forward to seeing you then,

Kind regards

Nigel Kerr
Event Director
